## Elizabeth College Strategic Plan 2013 - 2015

---

OCT 15

## Highly Skilled and Valued People

### Students

- ◆ Prepare students to belong and participate in a global community
- ◆ Encourage and build student confidence
- ◆ Celebrate student achievement

### Staff

- ◆ Build a culture of shared leadership
- ◆ Build positive collegial relationships and celebrate achievements
- ◆ Develop a culture of continual improvement within a professional learning community

### Community

- ◆ Encourage parent participation in their child's education
- ◆ Continue to build relationships and partnerships with the community, including old scholars

## Curriculum

### Students

- ◆ Provide students with broad, inclusive curriculum offerings
- ◆ Encourage students to explore and realise preferred futures
- ◆ Value student feedback

### Staff

- ◆ Maintain active involvement in curriculum development
- ◆ Being conversant with the Australian Curriculum
- ◆ Increase effectiveness of collaboration and teamwork through local, national and global networks

### Community

- ◆ Regular communication with parents regarding curriculum offerings, developments and assessment requirements
- ◆ Encourage authentic learning through community connections

## Attainment and Retention

### Students

- ◆ High expectations of student attendance, participation and attainment
- ◆ Maintain a wide variety of subjects and support programs that encourage and engage students
- ◆ Ensure a safe and supportive learning environment for students

### Staff

- ◆ Develop positive relationships with students through knowing and valuing each individual
- ◆ Using strategies that are flexible and responsive to the values, needs and interests of each student
- ◆ Skilled in the use of current technologies to assist student learning.

### Community

- ◆ Regular communication with parents regarding their child's progress and College activities
- ◆ Strong links with educational providers, support agencies and employers
