

13th ANNUAL NATIONAL SCIENCE WEEK 2013
ELIZABETH COLLEGE
Wednesday 14 August – Tuesday 20 August

“Science is Forever”

Attention: The Principal and the Teacher in Charge of Science

AN INVITATION FROM
ELIZABETH COLLEGE
256 Elizabeth Street, Hobart

Students at Elizabeth College are involved in several programs during Science Week.

As part of this week, students from your school are invited to participate in some science activities presented by several learning areas, and a poster competition. The theme for the poster competition is Water, as it is the United Nations International Year of Water. An entry form is included at the end of this letter.

BOOKING INFORMATION

For bookings please send the completed booking form to Stephanie Kelleher at the Elizabeth College by email stephanie.r.kelleher@education.tas.gov.au. **There will be no telephone bookings.**

Please note that each class group is limited to one (1) activity booking, and that each school is initially restricted to three (3) bookings in total. This is to ensure that all schools have the opportunity to attend.

You will be able to check the availability of activities by logging onto the website <http://education.tas.edu.au/academy/elizabeth/Pages/Home.aspx> and clicking onto the **Science Week** link. This page will be updated at the end of each day.

Prior to your visit you will be sent an email confirming your booking, and you will be requested to forward a class list to the college for the preparation of certificates, and name tags. This list needs to be sent in electronic format (preferably as an Excel document). **The class list should also indicate any students who do not have permission to have their photograph taken.**

You are requested to arrive at the Main Office in Elizabeth Street 5 minutes before your scheduled activity. Students should wear closed in shoes during their visit.

Our students and teachers look forward to your company.

Elizabeth College Science Week Poster Competition 2013

Entries are to be forwarded to Elizabeth College, by 12th August

Upper Primary – Grades 5 & 6 Lower Primary – Grades 3 & 4 Early Childhood – Grades K - 2	Certificates will be available for prize winners. The winning entries will receive a book / book voucher / something scientific. Judging will be by Elizabeth College students.
--	---

Design a poster Maximum size is A2

Topic: Water

Poster could show, for example, one of the following:

- How my body uses water
- How we get energy from water
- What can live in water
- How much water does my family use?
- How water is made clean
- Why do frogs need water?
- Where does water come from?

Entries will be displayed at the College, and will be returned to students at the conclusion of Science Week.
